Description: The Office of Workers' Compensation Programs (OWCP) is the agency responsible for administration of the Federal Employees' Compensation Act (FECA), 5 U.S.C. 8101 *et seq.*, the Black Lung Benefits Act (BLBA), 30 U.S.C. 901 *et seq.*, and the Energy

Employees Occupational Illness Compensation Program Act of 2000 (EEOICPA), 42 U.S.C. 7384 *et seq.* All three of these statutes require that OWCP reimburse beneficiaries for travel expenses for covered medical treatment. In order to determine whether amounts requested as travel expenses are appropriate, OWCP must receive certain data elements, including the signature of the physician for medical expenses claimed under the BLBA. Form OWCP–957 is the standard format for the collection of these data elements. The regulations implementing these three statutes allow for the collection of information needed to enable OWCP to determine if reimbursement requests for travel expenses should be paid.

Trinity Tank Car, Inc., a Subsidiary of Trinity Industries, Inc., Plants #19, 1200, 1017, 1110 & 1194, Longview, TX; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on December 23, 2009, applicable to workers of Trinity Tank Car, Inc., Plant #19, Longview, Texas. The notice was published in the **Federal Register** on February 16, 2010 (75 FR 7032).

At the request of the State Agency, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of tank railcars.

The company official clarified that Trinity Industries, Inc. is the parent company of the subject firm.

Additional information also revealed that the production of tank railcars at Plant #19 was vertically integrated with the production of four other affiliate facilities in Longview, Texas: Plants #1200, 1017, 1110 and 1194. These other facilities operate in conjunction with Plant #19 in a vertically integrated production process and also experienced employment declines during the relevant period.

Based on these findings, the Department is amending this certification to also include workers from Trinity Tank Car, Inc., a subsidiary of Trinity Industries, Inc., Plants #1200, 1017, 1110 and 1194. The intent of the Department's certification is to include

all workers employed at Trinity Tank Car, Inc., who were adversely affected by increased customer imports of tank railcars.

The amended notice applicable to TA-W-72,065 is hereby issued as follows:

All workers Trinity Tank Car, Inc., a subsidiary of Trinity Industries, Inc., Plants #19, 1200, 1017, 1110 and 1194, Longview, Texas who became totally or partially separated from employment on or after July 21, 2008, through December 23, 2011, and all workers in the group threatened with total or partial separation from employment on the date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.

Signed at Washington, DC this 23rd day of July 2010.

Richard Church,

Certifying Officer, Division of Trade Adjustment Assistance.

Swets Information Services, Operations Department, Information Technology Group, Marketing Group, Finance Group, Runnemede, NJ; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility To Apply for Worker Adjustment Assistance on May 18, 2010, applicable to workers of Swets Information Services, Operations Department, Runnemede, New Jersey. The notice was published in the **Federal Register** on June 7, 2010 (75 FR 32224). The subject workers are engaged in activities related to the supply of subscription services.

At the request of a company official, the Department reviewed the certification for workers of the subject firm. The data supplied to the Department by Swets Information Services during the investigation combined the Operations Department, Information Technology (IT) Group, Marketing Group and the Finance Group into one entity instead of identifying them separately and did not establish that workers within the IT, Marketing and Finance Groups support the Operations Department.

Accordingly, the Department is amending the certification to extend coverage to the workers of the IT, Marketing and Finance Groups who are engaged in the support of the Operations Department at the subject firm's Runnemede, New Jersey location.

The intent of the Department's certification is to include all workers of the subject firm who were adversely affected by the acquisition of subscription services from Singapore and Sri Lanka.

The amended notice applicable to TA-W-73,668 is hereby issued as follows:

"All workers of Swets Information Services, Operations Department, Information Technology Group, Marketing Group, and Finance Group, Runnemede, New Jersey, who became totally or partially separated from employment on or after March 9, 2009, through May 18, 2012, and all workers in the group threatened with total or partial separation from employment on date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended."
